

## State of Delaware

# HAND TOOLS

## Request for Proposal Contract No. GSS10011-HAND\_TOOLS

### QUESTIONS & ANSWERS

**JANUARY 25, 2010**

Question	Section	Question and Answer
# 1		<p>I do not see an Appendix A listing what products you are looking for bids on? Also, is this restricted to ONLY Delaware companies?</p> <p><b>The Appendix A is the Pricing Spreadsheet which can be found below the RFP. The company must have physical locations in the State of Delaware so that the Agencies have the choice to pick up or order any items. If you cannot provide this service you may take exception, but it will be up to the User Committee to agree to this exception.</b></p>
#2		<p>The tool lines I would like to be able to offer (now or in the future) are: Armstrong Industrial Hand Tools, Champion Cutting Tools, Gear Wrench, M. K. Morse, Metabo, Norseman Cutting Tools, Qual Tool, and Truper.</p> <p><b>Armstrong Industrial Hand Tools and Champion Cutting Tools have been approved for this solicitation. Vendor may submit samples of other brands of tools for product evaluation.</b></p>
#3		<p>Bid Item #31 – the street broom – the part # listed is no longer valid with the vendor. Can you please provide any kind of spec for this item?</p>

Government Support Services RFP GSS10011-HAND\_TOOLS - January 25,
